## Water Shut Down and Precautionary Boil Water Advisory – Astro Hill Complex – 8 Story, 6 Story Highrise and the W.G Brown Building

**August 23, 2023**

---

Please be advised of a water shut down on **Thursday August 24th, 2023 at approximately 1 p.m. to 5 p.m.** to allow for necessary water infrastructure work.

Location of water interruption:

### **Astro Hill Complex-8 and 6 Story Highrise and the W.G Brown Building.**

When water pressure drops, the Chief Public Health Officer of Nunavut automatically issues a precautionary boil water advisory. If this water interruption affects your residence, you are under a precautionary boil water advisory.

When the Office of the Chief Public Health Officer informs the City of Iqaluit that the advisory is lifted, we will inform residents.

During a precautionary boil water advisory, the City recommends that all water for consumption is brought to a rolling boil for a **minimum** of one full minute.

It is recommended that all water be boiled for the following uses:

- drinking;
- preparing infant formulas;
- preparing juices and ice cubes;
- washing fruits and vegetables;
- cooking; or
- brushing of teeth.
