

Project:	2023-RFP-056 Design the extension of AV270	
Addendum No.	1	No. of Pages: 1
Date:	July 12, 2023	

The following change(s) in the Request for Quotation Documents are effective immediately.
This Addendum forms part of the Contract Documents.

Question 1.1 - What resources will be available to validate the water network capacity?
Will the City's water model be available to the successful consultant?

Response 1.1 – No, the City will not have a water model available to the successful consultant. The successful proponent will have to depend on available data (if any).

Question 2.2 - What demand estimates have been prepared for current and future developments impacting the area?

Response 2.2 – City's planning department will provide information on anticipated developments in this area over the next few years
