The following change(s) in the Tender Documents are effective immediately.
This Addendum forms part of the Contract Documents.

ITEM	DESCRIPTION	ACTION
	Question by the Bidder:	
1	We are interested in submitting a bid and would require an additional delay to do so. Could the submission deadline be postponed a few weeks more?	
2	In 4.3 Mandatory Requirements, bidders must include the submission of the bidder's latest valid WSCC/WSIB Certificate of Clearance. Since we are based in the Province of Quebec, can we provide a CNESST Lettre de conformité (CNESST Letter of Compliance) instead?	

Clarification and Addendum 2:

1. The new Bid submission due: 2.00PM EST. December 21,2022. Confirmed.
2. Yes, Valid WSCC is required and mandatory. In case the contractor is from a different Province, there should be an undertaking that a valid WSCC will be submitted within the first two weeks after signing the contract.
