

Project:	2023-RFT-047 821239 – Hazardous Waste Disposal		
Addendum No.	2	No. of Pages:	3
Date:	March 10, 2023	Doc. No:	P7201-1179879886-101(1.0)

The following change(s) in the Request for Quotation Documents are effective immediately.
This Addendum forms part of the Contract Documents.

Clarifications

- Q1.** Size of tires (diameter) and if there are any with rims on them?
A1: The tires are a variety of passenger vehicle with some larger truck tires. The rims have been removed.

- Q2.** Is all the hazardous waste packaged and ready for disposal or is the contractor responsible for gathering and packaging the waste?
A2: The waste is packaged as described in the units of each item. Some items are self-contained (20' loaded sea container, which others are loose items (tote, cylinder of compressed gas, pallet of waste, 45-gallon drum). The bidder is responsible gathering

- Q3.** Is the waste to be direct loaded on site?
A3: Yes, the bidder is to take possession of the waste at the landfill site.

- Q4.** What is the municipal address of the landfill?
A4: 2085 Akilliq, Iqaluit

- Q5.** Can we request a 2-week extension to the closing date to allow time to source the necessary requirements for this project?
A5: The closing date will not be extended.

- Q6.** What is the % of glycol in the antifreeze?
A6: This was obtained from end-of-life vehicles, the concentration of glycol is unknown.

- Q7.** What is the % of water in the waste oil? Is it mixed with anything else?
A7: It is not mixed with anything else, percentage of water is unknown.

- C1:** Citric Acid and waste paint has been removed from the scope of work. Please see the update cost submission form.

Part I – Procurement and Contract Requirements: Appendix B – Cost Submission Form**Corrected Cost Submission Form**

The following Cost Submission Form and Provisional Items Cost Form shall supersede the forms provided in the RFT.

APPENDIX B – COST SUBMISSION FORM

Date: _____

Project Name: HAZARDOUS WASTE DISPOSAL

I/We, _____
(Company Name)

Of _____
(Business Address)

have fully inspected the Site and examined all the conditions affecting the Work. I/we have also carefully examined all documents prepared for this Contract including Addenda thereto; and hereby offer to furnish all labour, materials, plant, equipment and services for the proper execution and completion of the items listed below, in accordance with the Contract Documents, including all Addenda thereto which are acknowledged hereinafter for the above project for the sums separately indicated as follows:

Item	Description	Qty	Unit	Unit Price	Total
1.	Removal, sealift, and final disposal of Quatrex bags containing used batteries	12	Bag	\$	\$
2.	Removal, sealift, and final disposal of 20' sea containers containing electronic waste (incl. supply of new empty sea container). <i>Electronic waste is loosely packed in the c-can.</i>	3	20' sea container	\$	\$
