Temporary Closure for Landfill Metal Operations

August 26, 2020 – Iqaluit, Nunavut

Residents and businesses are advised that the Iqaluit landfill's metal operations will be closed to the public from August 31 to September 21 to allow Kudlik Construction to process metal that is currently onsite.

During this time, we ask everyone to refrain from bringing metal refuse to the landfill. The landfill will restart metal collection on Tuesday, September 22nd, 2020.
