## Landfill closure for scrap metal

July 14, 2021 – Iqaluit, Nunavut

---

The Iqaluit landfill will close the scrap metal portion of the site from July 24 and August 23, 2021 to allow for metal crushing.

Due to the potential safety hazard for people, the landfill will not receive any scrap metal, appliances or end of life vehicles during this time.

The metal landfill will reopen on Tuesday, August 24, 2021.

The City thanks you for your cooperation to ensure everyone's safety.
