## Rock transport trucks on City roads

August 13, 2021 – Iqaluit, Nunavut

---

The City is notifying residents that oversized vehicles transporting rocks and granular material will be sharing the roads starting immediately until mid-September, from 6 a.m. to 4 p.m., all days of the week.

The trucks will be escorted by a pilot vehicle. Construction signage will be posted along the designated route.

The route will commence at the quarry north of the airport, follow Federal Road to Qaqqamiut Road and continue north towards the new landfill location.
