Full Road Closure and Traffic Control along Mivvik Street

May 10, 2023 – Iqaluit, Nunavut

The City of Iqaluit would like to advise residents of the road closures and traffic control measures being implemented along Mivvik Street.

These measures are anticipated to be in effect between:

- May 15th – May 29th

This will allow for service line connections and drainage work to be performed.

Local traffic will still be able to access businesses throughout the duration of work. Detour routes provided are along Iglulik Drive and Al Woodhouse Street. The site layout and traffic control plan is shown below.

The City of Iqaluit thanks residents for their understanding.
