Inuit Child First Initiative Processing Times

October 31, 2024 – Iqaluit, Nunavut

The City of Iqaluit would like to inform all registered users under the Inuit Child First Initiative that a waiting period of 5 business days will now apply before visiting their selected store. Each store will set up an account for each registered user and for each child registered under the program, ensuring individual accounts for all beneficiaries.

This program is available for Inuit youth aged 18 and under. Youth who are 18 years old are eligible to apply, but if a participant turns 19 before the program concludes, they will be automatically removed from the program on their 19th birthday.

If you are a Nunavut Arctic College student already registered in this program, you are not eligible to re-apply.

For further program information, please email: icfi@iqaluit.ca

We appreciate the cooperation of all users as we work to improve service availability and efficiency.
