Reminder: Update your Mailing Address with the City of Iqaluit

October 24, 2025 - Igaluit, Nunavut

The City of Iqaluit would like to remind residents who have not yet updated their mailing address to do so as soon as possible. The local Post Office transitioned from P.O. Box addresses to civic addresses in 2024, and it is essential that we have your current civic address on file.

If you have not already updated your information, please provide your updated civic address to the City to ensure that all notices and correspondence are received without interruption.

To update your address with the City, please scan the QR code below to complete a web form, email us at Lands@igaluit.ca or call 867-979-5663.

Thank you for your cooperation.
