

# **PUBLIC SERVICE ANNOUNCEMENT**

## **CONSULTATION ON CITY'S WATER LICENCE**

**DECEMBER 4, 2018 (IQALUIT, NUNAVUT)** – As a continuation of implementing a long-term solution to augment the City's water supply, an application will be filed with the Nunavut Water Board to amend the City's Municipal Type "A" water licence.

As part of the overall process, a public review is required under the *Nunavut Planning and Project Assessment Act* and *Nunavut Waters and Surface Rights Tribunals Act*.

The first part of this review is a call for any comments or concerns.

Residents interested in participating in the first part of the review process are asked to review the attached [information sheet](#), and let the City know of any comments or concerns by sending an email to [water@city.iqaluit.nu.ca](mailto:water@city.iqaluit.nu.ca) **by end of day December 14<sup>th</sup>, 2018.**

A public consultation will also be held in 2019, where delegates will be invited to speak. Details will be made available in early 2019.
