

PUBLIC SERVICE ANNOUNCEMENT

TIPS TO HELP PREPARE FOR A SEVERE WEATHER EVENT

The City is advising residents that Environment Canada is predicting a severe weather system is approaching the City of Iqaluit later today.

To assist in better preparing yourself, and your property, for this weather event, the City is recommending that citizens review the attached information sheet on how to prepare for a severe winter storm at the link below:

http://www.city.iqaluit.nu.ca/sites/default/files/severe_winter_storm_-_blizzard_-_may_2016.pdf

In the event of any service disruption, the City will issue a public service announcement to advise residents.
