MAYOR'S MESSAGE

I am pleased to introduce to you the programs, events and services available in Iqaluit by way of the 2014 Recreation Guide. Iqaluit is a unique Arctic capital city and our residents are very involved in the community organizations that make our City great. The people of Iqaluit enjoy celebrating our community and culture which is reflected in the many events and community festivals that bring us together.

The Recreation Guide will connect you with opportunities for physical activity, ways to stay active and get involved in our community. As a young city, we value events and activities; the City of Iqaluit has a host of recreational activities for visitors and residents to enjoy! The City of Iqaluit offers parks, playgrounds, two arenas,

outdoor skating rinks, a softball field, outdoor basketball court, a curling rink, skateboard park, indoor sports field, youth centre, elders centre and a hall in Apex and offers programs for everyone to enjoy. Many Iqaluit residents are looking forward to the completion of our new Aquatic Centre which will contribute to a healthy, vibrant community. It is sure to be a place where children, youth, adults and elders can gather and grow together.

I encourage you to use this guide to help you connect with others and get involved in our vibrant community.

Sincerely,
Mayor John Graham

MESSAGE FROM THE DIRECTOR

Welcome to the 2014 Recreation Guide! The City of Iqaluit Recreation Department helps promote active living by connecting the community through sport, recreation and community events. The Recreation Guide is the number one source of information for sports, clubs and special events in Iqaluit.

This past year was another great year for recreation in Iqaluit. The Arctic Winter Games and Arnaitok Arenas were busier than ever. In 2013, we hosted many special events in preparation for the 2014 Arctic Winter Games, including training camps, sport development clinics and Territorial tournaments. Families took advantage of new opportunities on the AWG Indoor Sports Field with new programs such as

turf for tots, family drop-in and public soccer. The Department also implemented new initiatives including the Leadership-In-Training (LIT) program, a week-long skateboard camp, as well as an NCCP coaching clinic. We were also pleased to offer an extended ice season this year by keeping the Arnaitok Arena open all year. I encourage you to get involved in community recreation programs and take advantage of the numerous special events that are planned for 2014.

We hope that 2014 is a year where the community can come together to

be active and stay healthy.

IQALUIT'S NEW AQUATIC CENTRE

Iqaluit's new Aquatic Centre will provide an opportunity to build community and maintain a healthy lifestyle. The Centre will create a recreation space that is accessible and will be a centralized space located in the downtown core, a hub for community recreation in Iqaluit.

The Aquatic Centre will meet the needs of both athletic and leisure swimmers and those who wish to learn. It will include a lap pool, leisure pool, whirlpool, saunas and change rooms. The facility will provide a public fitness centre with strength training, cardio equipment and a specific area for group fitness classes. The Aquatic Centre will also contain complimentary community spaces including an elder's room, multipurpose room and café. The centre will encourage active living and community involvement and create a healthy environment for all residents.

The Aquatic Centre is expected to open in the spring of 2016. To contribute to the capital fundraising campaign or volunteer, visit the REACH Fundraising Campaign Section on Page 42.

LEVELS AND BENEFITS OF SPONSORSHIP

Your company can sponsor REACH at one of five levels: Gold, Silver, Bronze, Champion and Friend. Sponsorships can be bought at the amounts specified or acquired through in-kind contributions of specific items. Each level of sponsorship offers benefits to your organization and high-profile recognition. Your 5-year sponsorship of recreation facilities through REACH will be a legacy for your organization to send a message that you care about the community of Iqaluit. Becoming a sponsor allows you to optimize your advertising expense while contributing to the community to help build a much-needed piece of infrastructure.

For additional recognition and profile, consider becoming an MVP in your level of sponsorship. If you provide the top amount of sponsorship at your level, you will have your choice of sponsoring a one-of-kind big ticket item. These items are very limited and are offered only as long as they are available. Be sure to sign up early at the top of your level to become an MVP!

GOLD LEVEL

\$150,000 +

This is our top level of sponsorship and guarantees you to be recognized. If your sponsorship in this category includes an amount of at least \$200,000 you can be one of our MVPs and get exclusive signage on a big ticket item. Please refer to the chart for this selection of items.

Gold All-Star MVP items have set prices of \$300,000 with them. These items will give you naming rights to certain rooms or aspects of the facility that will be part of the lasting legacy for 10 years. Imagine holding a meeting in a room in the new facility that has been named after your company! Being an All-Star MVP allows you to get the same sponsorship benefits as a Gold Sponsor plus additional recognition as your company's name is attached to a key feature of the facility.

SILVER LEVEL

\$75,000 - \$149,999

As a silver level sponsor you will receive recognition in high traffic areas. If you become an MVP in this level, there are some frequently used items such as our water slide and diving board you can attach your logo to. Consider making a splash by becoming a Silver MVP!

BRONZE LEVEL

\$25,000 - \$74,999

Bronze level sponsors receive recognition in high traffic areas and are key partners in building the aquatic facility.

CHAMPION

\$10,000 - \$24,999

A champion level sponsorship is ideal for your small business to get exposure in what will be a frequently used facility.

FRIEND

\$5,000 - \$9,999

Friends of REACH are important contributors and will receive recognition for their support.

General Arena Rules

1. Anyone 18 and under must wear a helmet at all times while on the ice.
2. There is ABSOLUTELY NO smoking or alcohol use permitted in the facility; anyone found doing so, will be asked to leave immediately.
3. Anyone found damaging the facility or City Recreation property may be banned from the facility.
4. Users must leave the ice ten minutes before the end of their allotted time.
5. Adult supervision is required for all user groups. No team will be permitted on the ice without the presence of a coach, team manager, or instructor.
6. No groups or individuals will be permitted on the ice while the Zamboni is on the ice and must wait until all gates are closed.
7. All users must leave the facility including dressing rooms clean and tidy.
8. No hockey sticks/pucks, or tag will be permitted during open skate times.
9. The City of Iqaluit Recreation Department reserves the right to revoke the use of this facility from any person or group at any time.
10. The lobby/bleachers are not a play area. No skates, sticks, or pucks are permitted in these areas.
11. Music must be appropriate and non-offensive.
12. Be respectful of others, no swearing, fighting or aggressive behaviour.
13. Please leave your valuables at home.
14. All groups or individuals must wear skates while on the ice. There are no boots or shoes permitted.
15. Use at your own risk. The City of Iqaluit will not be held responsible for injuries, loss or damage.

Ice Cover Panel Installation

In the event that Ice Cover Panels are installed at the AWG for the purpose of a non-ice event, the City of Iqaluit Recreation Department will:

1. Ensure the ice user groups have sufficient notice of the interruption by letting all user groups know about the interruption in advance of the annual Mass Registration event (September).
2. Minimize the interruption to the community and user groups by ensuring that the groups renting the facility with the ice cover panel installed are efficient in the set up and take down of the event.
3. The Recreation Department will not approve any requests requiring use of the ice covering system that may disrupt sporting events.
4. Only consider rental applications requesting the AWG Arena with ice cover panels that are submitted by June 1st prior to the ice season.

Time and Length of Interruption

- The City of Iqaluit will limit the time the panels will be on the ice to one week at a time.
- The City of Iqaluit will not interrupt the ice time with the installation of ice panel covers for more than 14 days in a regular season and not more than 7 days in an Arctic Winter Games year.
- If special circumstances arise, the City will make all reasonable attempts to notify user groups in advance of the ice season.

For more information, contact the Assistant Director of Recreation at 979-5604 or email j.martin@city.iqaluit.nu.ca.
